September RECAP

I'm not sure if it's just me, but where did September disappear to? It was a busy, but very productive month at the CRC!

We started things off with our lovely Father's Day craft session. The kids were full of excitement, painting their own herb pots to gift for Father's Day. After the SOCK Week planter pot competition, they were super keen to have a go themselves – and they didn't disappoint!

The Newdegate Field Day was, once again, a huge success and a great day out for everyone. We were really inspired by the Shed Street Art competition, and Malcolm even brought me back a self-watering pot from one of the stalls—what a clever idea!

We also ran a Chainsaw, Working at heights & Confined Spaces Courses, which turned out to be a very hands-on and productive day. Participants learned new skills and important safety knowledge. It was great to see so much enthusiasm.

At the recent Shire meeting, our Town Teams group presented an update and received some great feedback. It's exciting to see real progress being made toward bringing some of our ideas to life. We'll be holding a follow-up "Next Steps" meeting on 9th October at 5:00pm. Come along for some nibbles and drinks while we recap and plan ahead—everyone is welcome!

Thank you to everyone who came along to the CRC AGM. It was so lovely to see all the seats full, to hear your ideas, and to catch up with familiar faces. It really was a beautiful evening of connection and community spirit.

Lastly, it is with heartfelt sadness that I share the passing of Teresa Walton from Warakirri Cropping.

As a Committee Member and recently appointed Secretary of the Pingrup CRC, Teresa brought warmth, commitment, and genuine care to everything she did. Her presence around the table will be deeply missed. We extend our sincerest condolences to her family, colleagues, and friends during this very difficult time.

Kind regards,

Joceline

COUNCIL MATTERS

The last Council Meeting was held on 17th Sept 2025.

At Council this month, Council adopted a new Community Grants Policy which will replace the budget submission process that has been done in previous years. This will ensure that grants are flexible and agile while also ensuring appropriate oversight over where grants are being spent.

More information can be found by viewing the policy on the Shire's website. More information will be forthcoming when funding rounds commence.

The Shire of Kent's election is now complete, with four candidates nominating for four vacancies. A fourth vacancy was opened up due to the resignation of Cr Dustin Harris. Congratulations to Kate Johnston who has been elected to a new two year term and Darren Gray, Greg Hobley and Tim Borgward who have been elected to four year terms. Further information can be obtained on the election by visiting the Shire's website.

Dear Families and Community,

Wow – I cannot believe we are already in Week 9 of Term 3! It feels like my journey here has just begun, yet soon we will be farewelling our graduating class and wishing everyone a happy holiday.

Sports Carnival

On Friday 5th September, we joined with Ongerup and Borden Primary Schools for our annual Sports Carnival. What a fantastic day it was! Students achieved their personal bests, demonstrated incredible sportsmanship, and represented our school with pride. It was truly the most enjoyable carnival I have had the pleasure of attending, and I could not have been prouder to lead our school at such a spectacular event.

This Friday, a number of our students will return to Ongerup for the Interschool Carnival. We wish them all the best – I am confident you will do our school proud.

Busy Bee & Centenary Meeting

Last Thursday we held a very successful Busy Bee. Together, our amazing community spread 7 tonnes of mulch across our gardens. I was absolutely gobsmacked when I walked outside and saw the level of support – it honestly brought tears to my eyes. Your generosity of time, energy, and effort was inspiring.

We also held a Centenary meeting on the same day. Thank you to all who attended and to those who continue to work behind the scenes to make this once-in-a-lifetime event so special.

A Generous Donation

A heartfelt thank you to the Pingrup Race Committee for their valued support and generous donation. These funds will allow us to purchase SpellEx for Year 3 and 4 and to train our staff in using this exceptional, evidence-based program from 2026. Your investment in our students' future is deeply appreciated.

Bushfire Information 2025/2026

PROHIBITED BURNING TIMES

1 November 2025 - 31 January 2026

*Dates are inclusive and subject to seasonal change

Prohibited Burning Times are declared by the Minister of Emergency Services. During this period you must not start a fire in the open air. During a Total Fire Ban, a penalty of up to \$25,000 or 12 months' imprisonment or both may apply.

RESTRICTED BURNING TIMES

19 September 2025 - 31 October 2025

1 February 2026 - 30 April 2026

During the Restricted Burning Periods you must not start a fire without a permit. Dates for Prohibited and Restricted Burning Times may change depending on prevailing weather conditions. Any date changes will be published on the Shire of Kent Website and SMS Notifications.

TOTAL FIRE BANS

A Total Fire Ban (TFB) prohibits the lighting of any fires in the open air and other activities that may start a fire. This includes all open air cooking of camping fires, incinerators, welding, grinding, soldering or gas cutting. The use of equipment powered by internal combustion engines in any area where there is bush, crops, pasture or stubble is also prohibited. Farmers can still harvest their crop and feed or water livestock in a paddock unless a Harvest & vehicle Movement Ban has been declared by the Shire. A TFB is declared the evening before the day it is to take effect. Check the **Emergency WA website** at **www.emergency.wa.gov.au** after 6PM to see if a ban has been declared for the following day or call the **TFB hotline on 1800 709 355**.

For more information visit the **DFES website** at **www.dfes.wa.gov.au**

AGRICULTURAL OPERATIONS

During Restricted or Prohibited Burning Times all harvest machinery must carry a fire extinguisher. During harvesting operations, a mobile fire fighting unit with a minimum water capacity of 600 litres, a fire fighting pump and hose is to be located in the paddock being harvested.

HARVEST & VEHICLE MOVEMENT BANS

The Shire may impose a Harvest & Vehicle Movement Ban (HVMB) for its district, or areas within its district, during the prohibited or restricted burning times. This prohibits harvesting operations and driving vehicles through bush, crops or stubble.

Vehicles and equipment may be driven on gazetted roads and laneways (provided it has a trafficable surface; is at least 4 meters wide; and, is cleared of all flammable materials with overhanging vegetation pruned so it does not come into contact with the vehicle).

Providing a mobile fire fighting unit carrying a minimum of 600 litres of water is present, you may carry out the following agricultural activities during a HVMB:

- Water carting for stock and domestic purposes;
- Travel to, from and within piggeries and feed lots; and,
- All necessary carting of livestock.

Please note that it is your responsibility to check if a HVMB is in place before undertaking any activity that may be subject to the Ban. The Shire may notify the community of a HVMB via:

- SMS; WhatsApp Group notification; or, email. To subscribe, please contact the Shire on (08)9851 9780;
- Community Social Media page;
- Broadcasting on ABC Radio; and,
- EmergencyWA web page.

- The shire may cancel any or all issued permits if it considers that there is a danger that any fire lit may escape from the land (under s.46 of the Bush Fires Act 1954).
- If a fire has already been lit, the Shire may direct that the fire be extinguished if there is a danger of the fire escaping.
- To obtain a permit, contact the Fire Control officer for your area (see next page)

HIRE @ PINGRUP CRC—Available NOW!

As the rollout of Electronic Identification (eID) for sheep becomes more important across the livestock industry, the Pingrup Community Resource Centre is here to support our local farmers with access and training.

We are pleased to let you know that the Pingrup CRC now has an eID reader available for hire. This tool will help simplify livestock management and ensure compliance with evolving traceability requirements.

One-on-one training is also available for anyone who hires the equipment. Whether you're new to using eID or just need a refresher, we're here to help you feel confident and ready.

To book the equipment or schedule a training session, contact us at the CRC or drop in during our opening hours.

Supporting local farmers with practical tools and training — that's what we're here for!
